

Head of School Retiring

After 15 years of service to Cornerstone, Doug Pavey has informed the Board of Trustees of his desire to retire at the end of the 2019-2020 school year. The Board has accepted Doug's resignation, effective June 30, 2020, and recognizes his tremendous service to the school as Upper School science and Bible teacher, Lower School Principal, and Head of School since 2015. The Board also acknowledges Mr. Pavey's outstanding leadership and influence with students, parents, and donors that has allowed Cornerstone to grow as he has faithfully served the entire Cornerstone community.

The CCA Trustee Board will immediately begin the search process for the new Head of School and is confident in the very talented administrative staff and teachers who will continue to serve with Doug during his final year and help facilitate the transition from Doug to the new Head of School. The Board members covet your prayers as they walk through this process and look forward to seeing what the Lord will do!
